water is stagnent and I must say that there is considerable reduction in the mosquito nuisance in the town. These are two or three operations undertaken for the improvement of the town. Then with regard to the point referred to by the Hon'ble mover that there are hotels which are being conducted without proper licenses, this is the first time that the matter has been brought to the notice of the Government and it will be enquired into. If there is such a practice it will be stopped.

Mr. P. K. Dewer *(Nominated)*: I withdraw the motion.

CUT MOTIONS

1. Opening of an Ayurvedic Hospital at Kunnamkulam

***Mr. Paramel Ipe Ipe** *(Kunnamkulam)*: I rise to move to reduce the allotment of Rs. 3,09,900 for Demand No. 25 Ayurveda by Re. 1 to impress upon the Government the necessity to open an Ayurvedic Hospital at Kunnamkulam, In moving this cut, my only object is to impress upon the Government the necessity of an Ayurvedic Hospital at Kunnamkulam. That is a prime necessity and there is a large section of the people who are very eager to get Ayurvedic medical aid and further the demand for Ayurvedic medical aid can be got or the requisition for medical aid can be satisfied only if they run up to Vadakkancheri where the Ashtavaidyas Moosad and his brother reside. They can get this only at such great distance. Further, also from the point of view of population, a hospital started at Kunnamkulam will be of great use to a large section of the population. With these few words, I commend this motion for the acceptance of the House.

***Rao Sahib C. J. Mathew** *(Secretary to Government)*: At Kunnamkulam there is a full-fledged allopathic hospital to cater to the medical needs of the town. As was explained by the Minister the other day that it is the intention of the Government to select such areas where no medical aid whatever is available. There are places where neither allopathic nor ayurvedic hospitals exist. It is the policy of the Government to select such areas and tostart hospitals and dispensaries in those places. Thus later on, where duplicity is found necessary that will also be attended to. In this view of the matter it cannot be said that the needs of Kunnamkulam are so very urgent. There are 5 vaidyasalas budgeted for to be started next year and if Kunnamkulam stands in urgent need of one them it will be considered.

Mr. Panel Chairman: I believe, the Hon'ble Member is satisfied.

Mr. Paramel Ipe Ipe *(Kunnamkulam)*: Yes. I seek leave to withdraw the motion.

Motion, by leave, withdrawn

* Sppeech not corrected by the Hon'ble Member.
